Investment Objective

This fund targets an annualized return higher than that of the MSCI All Country World Net Index, expressed in Canadian dollars, over four-year moving periods.

Benchmark

MSCI All Country World Net

Investment Strategy

This fund, actively managed, aims to provide long term capital appreciation by investing primarily in equity securities of companies globally. The fund's investment process focuses on bottom-up stock selection within each industry/sector based on fundamental research. This approach leverages the firm's research network to identify the most attractively priced securities on a global sector basis.
